All you need to know

Erasmus+

Interested in Erasmus+?

Here's how to start!

If you are a student contact Erasmus+ or the international office of your educational institution.

Erasmus+ Volunteering Activities could help you to participate in volunteering projects.

Find information on Erasmus on ec.europa.eu/programmes/erasmus-plus
Here you will also find a list of national agencies where to ask about Erasmus+ opportunities.

“Hundreds of thousands of young people have enjoyed being in another country, seeing how different, beautiful and diverse the EU is.”

Manfred Weber MEP, Chairman of the EPP Group in the European Parliament

Why Erasmus?

You have a greater chance of finding employment:

25% less

unemployment among Erasmus students

64% of employers

consider international experience as important

A unique life experience:

9 out of 10

Erasmus students say that they became more independent and flexible due to their Erasmus experience

The Erasmus+ programme

Erasmus has been the EU's flagship programme for education, training, youth and sport since 1987. The Erasmus experience promotes professional integration, reinforces personal development and European values.

This makes Erasmus the most popular European programme and one of the European Union's success stories.

Top 5

Sending

Receiving

countries through Erasmus:

39,985 students

France **sent the most students abroad** through Erasmus

42,537 students

Spain is **the most popular Erasmus destination**

	France	1	Spain	
	Germany	2	Germany	
	Spain	3	UK	
	Italy	4	France	
	Poland	5	Italy	

Since 2014 Erasmus+ has enabled **over 12,000** students and staff from the Western Balkans to study and teach in the European Union.

A European success story for more than 30 years
